

**1. Features**

- 18.5" TFT LCD Display With 1366x768 Native Resolution
- 10 Pt Multi-Touch Capacitive Panel
- 300cd/m<sup>2</sup> Brightness
- 1000:1 Contrast Ratio
- Wide Viewing Angle
- WiFi 802.11 b/g/n Support
- Built-in stereo speakers
- 1GB RAM
- 18.4" x 11.3" x 1.5"

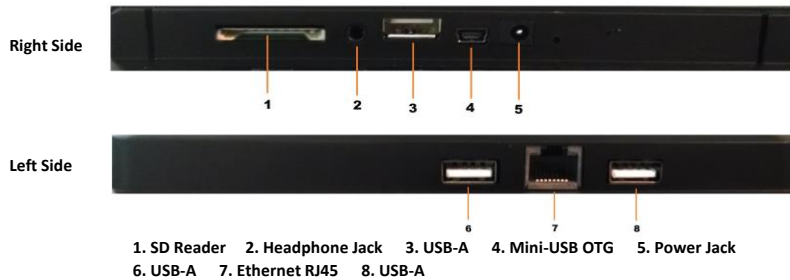

**2. Product Specification**

| Item                | Description                          | Functions  |
|---------------------|--------------------------------------|--|
| System              | CPU                                  | Quad Core Cortex A9, 1.6GHz                            |
|                     | GPU                                  | Quad Core, ARM Mali-400MP                              |
|                     | RAM                                  | 2GB  |
|                     | Nand-Flash                           | 8GB  |
|                     | Operation System                     | Android 4.2.2  |
| Display             | LCD                                  | 18.5" Diag. Active Display Area                        |
|                     | Touch Screen                         | 10pt Capacitive  |
|                     | Resolution                           | 1366x768   |
|                     | Brightness                           | 300cd/m <sup>2</sup>                                   |
|                     | Contrast Ratio                       | 1000:1   |
|                     | Aspect Ratio                         | 16:9   |
